

## Gordon Larsen

Gordon and his family moved to Lake in the Hills in 1963. As a resident of this Village, he and his wife Joan were influential in shaping the physical and civic landscape of Lake in the Hills. His many accomplishments and acts of generosity include the establishment of the Larsen Industrial Park, his donation of Dome Hill to the Village, his service as a charter member of the Algonquin/Lake in the Hills Rotary Club, his involvement in the Algonquin/Lake in the Hills Chamber of Commerce and his service on the Economic Development Commission. Just before Gordon passed away on November 24, 2003, the Village Board and Parks and Recreation Board were honored to dedicate Larsen Park, a beautiful natural area that is a part of the land first purchased by Gordon when he and his family moved to Lake in the Hills.

Gordon was the kind of person who placed fairness above profit, generosity above possessions, courtesy above triumph, kindness above personal welfare and honor above success. His legacy serves as a fine example of how the efforts of one man can so enrich a community.
