The Lake in the Hills Police Department will be participating in the second annual Great Central U.S. ShakeOut and we encourage residents of Lake in the Hills to do the same. The Great Central U.S. ShakeOut is a day of special events featuring the largest earthquake drill ever, organized to inspire central U.S. residents to get ready for big earthquakes, and to prevent disasters from becoming catastrophes. What we do now, before a big earthquake, will determine what our lives will be like afterwards. The ShakeOut drill will occur in houses, businesses, and public spaces alike throughout the central U.S. at 10:15 a.m. on February 7, 2012.
