It is hard to believe that a whole school year has come and gone! We are so proud of the growth we have seen in our students and will surely miss their smiling faces come summer!

Our students have been busily learning their last names and phone numbers. This month we will concentrate on our addresses. This is important information that they will need for kindergarten, as well as safety. Please continue to practice these facts at home. We have also been working on our Number Jars and hope to get to 20 by the end of the school year.

We will be reviewing our letters and numbers this month in a variety of ways, but, mainly playing games and going on scavenger hunts!

Thank you to our Community Helpers who came to teach us about Stranger Danger and Fire Safety. We loved using the phone and learning how to dial 911 and seeing the police car and fire truck!

We are proud to say our caterpillars have metamorphized into beautiful butterflies! The children have watched in awe as the caterpillars grew and grew and grew!

As always you can reach us via email at lknoepfel@lith.org or kbecker@lith.org.

Knoepfel's K~notes

May ~ 2012

The time of year has come again for us to say good bye to our students. While this always makes us a little teary-eyed, we are so proud of all of their accomplishments. We know that we have given them the tools they will need to move on to the next educational level.

I want to take a minute to personally thank each of you for giving me the opportunity to meet you and educate your child. All of you have been so welcoming, and I do truly appreciate it. I look forward to seeing you next year, either at our preschool or out and about in Lake in the Hills and the surrounding areas.

I hope you have an incredible summer. Don't forget to sign up for our preschool summer camps as soon as the catalog becomes available. Space is limited and class fills up quickly!

Reminders

Sign up for the 2012 - 2013 school year is in progress. Don't miss your opportunity to register for next year as spots fill up quickly in the summer.
