Young 3's May 2012

What fun we had with our firefighter visit! It was great to see the students eyes widen as they climbed into the fire truck and ambulance. The children (us teachers too) learned so much about firefighters and safety!

Wow! It seems like just yesterday that we were meeting twelve new little students. And now, nine months later, we are watching as twelve tiny friends get ready to leave and continue onward their education. We are going to miss our daily hugs, giggles and smiles!
