Village of Lake in the Hills Opens Nominations for 2025 Gordon Larsen Business of the Year Award

Lake in the Hills, IL—The Village of Lake in the Hills is pleased to announce that nominations are now open for the 2025 Gordon Larsen Business of the Year Award. This annual award honors a Lake in the Hills business that exemplifies excellence in service, community involvement, innovation, or positive economic impact.

From **August 1 through September 26**, community members are invited to nominate a business they believe deserves recognition. Whether it's a long-standing local favorite, an innovative newcomer, or a business that has gone above and beyond to support the community, all nominations are welcome and encouraged.

“Lake in the Hills is home to so many exceptional businesses that contribute to the vibrancy and growth of our community,” said Village President Ray Bogdanowski. “The Gordon Larsen Award is an opportunity to recognize those efforts and celebrate their impact.”

After the nomination period closes, the Village will review all submissions and select five finalists. From **October 6 to 31**, the public will vote for their favorite among the top five. The business with the most votes will be named the 2025 Gordon Larsen Business of the Year, with the winner announced in November and recognized at a Village Board meeting.

The Gordon Larsen Awards have long been a tradition in Lake in the Hills, previously honoring multiple businesses across several categories. This year, the award will once again spotlight one outstanding business whose contributions rise above the rest.

Visit lith.org/gordonlarsen to learn more and submit nominations.
