REQUEST FOR BOARD ACTION

MEETING DATE: November 19, 2019
DEPARTMENT: Police
SUBJECT: Collective Bargaining Agreement between the Village of Lake in the Hills and Metropolitan Alliance of Police Lake in the Hills Chapter #90

EXECUTIVE SUMMARY

The collective bargaining agreement with the Metropolitan Alliance of Police Lake in the Hills Chapter #90 expired on April 30, 2018. Negotiations with the Union resulted in a tentative agreement on all but two items. Section 6.5 Suspension or Termination and 14.1 Wage Schedule were determined by interest arbitration. The Union’s proposal on the Wage Schedule and the Village proposal on retaining the Police Commission is included in the 2018-2021 contract.

Other significant changes to this new agreement include the language that allows a 12-hour shift schedule, adding detectives to on-call shift pay, removing training bank language for on-duty training, and modifications for holiday and personal day pay to accommodate officers working a 12-hour shift. The Union has ratified the agreement, which is retroactive to May 1, 2018, and will end on April 30, 2021.

FINANCIAL IMPACT

The new wage scale includes the following adjustments: 2018-2.5%; 2019-2.5%; and 2020-2.5%. The department will budget accordingly for all expenses included in this agreement.

PREAMBLE

THIS AGREEMENT is entered into by the Village of Lake in the Hills ("the Village") and the Metropolitan Alliance of Police Lake in the Hills Police Chapter #90 ("the Chapter" or "the Union") this _______________day of__________________, 2019, and has as its purpose the promotion of harmonious relations between the parties, the establishment of an orderly procedure for resolving differences arising out of the employment relationship and the establishment of rates of pay, hours of work, and other conditions of employment for employees of the Village in the unit described in Article I hereof.
ARTICLE I
RECOGNITION

Section 1.1. Recognition of Bargaining Agency.
The Village agrees during the term of this Agreement to recognize the Metropolitan Alliance of Police as the sole and exclusive bargaining agent with respect to wages, hours, and conditions of employment for employees in the following unit:

All "full-time sworn peace officers below the rank of sergeant" employed by the Village of Lake in the Hills, excluding "sergeants and above, all supervisors, confidential, managerial employees and all other employees of the Village of Lake in the Hills."

Unless the context indicates otherwise, the terms "employee" and "officer" as used herein, shall refer exclusively to members of the above-described unit.

Section 1.2. Gender
In this contract, the pronouns "He, Him, and His" shall refer to both men and women employees equally.

Section 1.3. Labor-management Meetings
The Chapter and the Employer agree that, in the interest of efficient management and harmonious employee relations, meetings will be held if mutually agreed between no more than two (2) Chapter representatives and responsible administrative representatives of the Employer. Such meetings may be requested by either party at least seven (7) days in advance by placing in writing a request to the other for a "labor-management conference" and expressly providing the specific agenda for such conference. Such conferences, times and locations, if mutually agreed upon, shall be limited to:

a. discussion on the implementation and general administration of this agreement;
b. a sharing of general information of interest to the parties; and
c. safety issues.

It is expressly understood and agreed that such conferences shall be exclusive of the grievance procedure. Specific grievances being processed under the grievance procedure shall not be considered at "labor-management conferences," nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such conferences.

Attendance at labor-management conferences shall be voluntary on the employee's part. Attendance at such conferences shall not interfere with required duty time and attendance, if during duty time, is permitted only upon prior approval of the Chief of Police or his designee. The Chief of Police or his designee in his sole discretion shall determine its representatives at such meetings.
Section 1.4. Chapter Bulletin Board
The Village will make bulletin board space available for posting of Chapter announcements and other items of legitimate Chapter business, seniority roster, education opportunities announcements and notice of extra duty opportunities that are non-inflammatory in nature and are approved by the Chief of Police, or if the Chief of Police is not available, by a shift commander on duty. Approval for posting shall not be unreasonably withheld.

Section 1.5. Representation Time
An employee who in a representative capacity during his scheduled working hours attends a meeting between the Chapter and the Village for the purposes(s) of adjustments of grievances, or transmittal of notices shall not suffer a loss in pay because of such attendance, provided that the Village must have agreed to hold the meeting at such time. There shall be no claim under this provision for pay for any other than in relation to the regularly scheduled hour(s) of the employee claiming such pay. The Chapter recognizes the essential need to minimize lost work time and to avoid interference with the work of the Department. For purposes of this section, representative capacity shall be limited to an employee who is representing the bargaining unit, or a member thereof, as part of the grievance procedure, or as part of the formal disciplinary procedure involving another officer. Any employee opting to have an attorney represent him during the disciplinary procedure shall not be entitled to additional representation by a fellow chapter member.
ARTICLE II
MANAGEMENT RIGHTS

Section 2.1. Management Rights
Except as specifically limited by the express provisions of this Agreement, the Village retains all legal rights to manage and direct the affairs of the Village in all its various aspects, and to manage and direct its employees. It is the employer's right to hire, demote, suspend or discharge pursuant to the Illinois Municipal Code, Board of Fire and Police Commissioners 65 ILCS 5/10-2.1-1 et seq.; layoff, promote, assign or transfer employees to any job or any work, anytime or anywhere; to increase or decrease the work force; to determine the number and size of the work shifts; to determine the hours of work per day or week; to make work rules for the purpose of efficiency, safe practice and discipline; to establish performance standards; to determine equipment to be used; to make technological changes; to determine the number and location of its operations; to move, close or liquidate its operations in whole or in part; to separate or reassign its employees in connection with said moving, closing or liquidating; the right to transfer; to subcontract work; to determine duties and productions standards; to combine jobs, to eliminate classifications or work; to require overtime work; and to fill new jobs and set a wage rate subject to negotiations over such wage rate.

The rights and powers of management mentioned in this Agreement do not list or limit all such powers, and the rights listed together with all other rights, powers and prerogatives of management, not specifically ceded in this Agreement remain vested exclusively in management.

The exercise by management of, or its waiver of, or its failure to exercise its full right of management or decision on any matter or occasion, shall not be binding on management, and shall not be the subject or basis of any grievance.

In the event of a civil emergency, which may include but are not limited to, riots, civil disorders, tornado conditions, floods or other catastrophes, as may be declared by the Village President or Chief of Police, or their authorized designees, the provisions of this Agreement, other than compensation provisions, may be suspended by the Chief of Police, if necessary, provided that all provisions of this Agreement shall be immediately reinstated once the civil emergency condition ceases to exist.
ARTICLE III
PERSONNEL FILES

Section 3.1. Personnel Files and Notice of Disciplinary Action
There shall be one official disciplinary file maintained in relation to each person employed by the Police Department. All information contained in an employee's disciplinary file shall be treated as confidential by the Village. The Village may make such other and additional files as it may deem appropriate, provided only that each person shall have the right of inspection as provided hereinafter. All employment related files shall be identified in the certain written documents provided in the various Police Department work rules, regulations and policies. The disciplinary file shall include, (by way of illustration and not limitation), written evaluations, letters, memorandum, reports and other materials bearing on the quality of the employee's professional service and any disciplinary measures taken in relation to said employee's employment.

An employee may inspect the contents of any and all employment related files at reasonable times with prior notice to the Chief of Police. The person shall examine all employment related files and only in the presence of the Chief of Police or in the presence of the Chief’s designee. To the extent required by law, employees shall receive copies of those materials placed in their employment files. Any record of discipline short of suspension placed in an employee's file shall not be considered for purposes of progressive discipline after one (1) year has expired from the date of said discipline. The parties recognize that circumstances may arise in which the Chief of Police may issue discipline, up to and including recommendations for discharge, without regard to the principle of progressive discipline.

Section 3.2. Procedures of Discipline
If the Village has reason to discipline an employee, it will take into consideration methods to do so which would not unduly embarrass the employee.

Section 3.3. Jurisdiction of the Police Commission
Disciplinary action, up to and including termination, is subject to the jurisdiction of the Board of Police Commissioners according to state law and in accordance with the Rules and Regulations of the Lake in the Hills Police Commission. Notice of said disciplinary action shall be provided in writing to the employee. Nothing in this Agreement however shall be construed in such a manner as to make the reprimand, suspension or discharge of a probationary officer the subject of a hearing before the Police Commission or part of the grievance procedure.

Section 3.4. Written Reprimand
In cases of written reprimand, notation of such reprimand shall become part of the employee's personnel file and a copy given to the employee.

Section 3.5. Personnel File
The Village agrees to abide by the lawful requirements of the “Access to Personnel Records Acts,” Illinois Compiled Statutes.
Section 3.6. Investigation of Officers
The Village agrees to abide by the lawful requirements of the Illinois Compiled Statutes as they relate to the investigation of police officers, specifically but not limited to, the Illinois Police Officers Disciplinary Act. (See Appendix C)

The Village agrees to periodically inform any officer covered by this Agreement of the ongoing status of any investigation concerning the affected officer pursuant to this Article. Such information shall be provided to the officer thirty (30) days following the date of any formal interrogation/interview, and shall be provided each thirty (30) days thereafter. This section does not limit or interfere with the authority of the Chief of Police to discipline police officers covered by this Agreement.

If not on duty, the affected officer shall be compensated for time spent during the interrogation/interview at the affected officer's applicable straight or overtime rate of pay.
ARTICLE IV
UNION SECURITY

Section 4.1. Fair Share
During the term of this Agreement, police officers who are not members of the Chapter shall, commencing thirty (30) days after the effective date of this Agreement, pay a fair share fee to the Chapter for collective bargaining and contract administration services tendered by the Chapter as the exclusive representative of the officers covered by this Agreement. Such fair share fee shall be deducted by the Village from the earnings of non-members and remitted to the Chapter each month. The Chapter shall annually submit to the Village a list of the officers covered by this Agreement who are not members of the Chapter and an affidavit which specifies the amount of the fair share fee, which shall be determined in accordance with the applicable law.

Section 4.2. Dues Deductions
Upon receipt of proper written authorization from a police officer, the Employer shall deduct each month’s Chapter dues in the amount certified by the Treasurer of the Chapter from the pay of all officers covered by this Agreement who, in writing, authorize such deductions. Such money shall be submitted to the Metropolitan Alliance of Police within fifteen (15) days after the deductions have been made.

Section 4.3. Indemnification
The Metropolitan Alliance of Police shall indemnify and hold harmless the Village, its elected representatives, officers, administrators, agents and officers from and against any and all claims, demands, actions, complaints, suits or other forms of liability (monetary or otherwise) that arise out of or by reason of any action taken or not taken by the village for the purpose of complying with the provisions of this Article, or in reliance on any written check off authorization furnished under any of such provisions, provided that the Village does not initiate or prosecute such action.

Section 4.4. Dues Check off
All members covered by this Agreement shall tender their membership dues to the Union by signing the authorization cards (providing payroll deduction of Union dues) provided by the Union.

The employer agrees to deduct Union membership dues in accordance with the amount certified by the Union to the employer from the pay of all officers who have executed such authorization for payroll deduction of Union dues and maintain such deductions in accordance with the terms and conditions set forth by Agreement with the Union. The Union shall hold the employer harmless against any and all suits, claims, demands and liabilities arising out of any action of the employer in connection with payroll deductions of Union and/or other deductions (made pursuant to this Article).

Payroll deductions of Union dues shall become effective upon the date that the appropriate form designates or, if none, upon the date of it’s signing by the affected officer. Pay deductions shall commence beginning with the next two (2) payroll periods.
The aggregate totals of all dues (deducted) shall be remitted separately each month to the Union at its address as supplied to the Village Clerk of the Village of Lake in the Hills.
ARTICLE V
SENIORITY

Section 5.1 Layoff and Recall
All layoffs will be determined on a seniority basis. Those police officers with the lowest amount of seniority may be temporarily laid-off in the event that the Employer deems it necessary. When the force of the Police Department is reduced, the officer or member reduced in rank or removed from service of the Police Department shall have rights of reinstatement as provided for in the Illinois Compiled Statutes. Upon determination that a vacancy exists and there are police officers who have been furloughed due to a reduction-in-force, the police officers on furlough shall be recalled to fill such position and seniority will prevail in determining which furloughed Officer shall have the right to be re-employed if the Police Officer is otherwise qualified.

Section 5.2 Definition of Seniority
Seniority shall be determined as the police officer's length of service as a police officer in the Department. Time spent in the armed forces, on military leaves of absence, and authorized leaves not to exceed one year, and time lost due to duty related disability shall be included.

Section 5.3 Seniority Lists
A current up to date seniority list showing the names and length of service of each police officer shall be provided and posted by the Employer on January 1st, April 1st, July 1st, and October 1st of each year on a designated Bulletin Board provided by the Village.

Section 5.4 Purpose of Seniority
Employees shall be allowed preference according to seniority on all sections specifically designating seniority as an accounting procedure.

Section 5.5 Termination of Seniority
A police officer shall not accumulate seniority rights upon separation from services due to dismissal, suspension time in excess of 15 continuous days, layoff or retirement. Full seniority rights shall be reinstated under the following conditions:

1. A police officer retires due to disability and is later certified by the Police Pension Board to be capable of resuming his duties and is returned to work by the Chief of Police.

2. A police officer is dismissed and later reinstated by a court of competent jurisdiction.

3. A police officer is separated due to layoff or reduction-in-force and is later reinstated under the conditions provided for in the Illinois State Statutes.
ARTICLE VI
GRIEVANCE PROCEDURE

Section 6.1. Definition of Grievance
It is mutually desirable and hereby agreed that all grievances shall be handled in accordance with the following steps. For the purposes of this Agreement, a grievance is any dispute or difference of opinion raised by an employee against the employer involving the meaning, interpretation or application of the provisions of this Agreement. The Village shall not be required to pay any officer's wages for grievance related work, unless the officer is the grievant and is required by the Chief of Police or his designee to be present on the officer's on-duty time, in which case the officer shall receive his regular rate of pay for all time spent. The Chapter may appoint an officer, who may attend grievance meetings scheduled pursuant to Steps One, Two and Three. The Chapter shall notify the Chief of Police in writing of the name of the officer designated to do so, provided, that the Village shall not be required to recognize an Officer who has not completed his probation and/or suspension.

Section 6.2. Grievance Procedure
Recognizing that grievances should be raised and settled promptly, a grievance must be raised within five (5) working days after the occurrence of the event or the officer becoming aware of the event giving rise to the grievance in accord with the following procedure:

STEP ONE: Immediate Supervisor. By written notification from the officer to his immediate supervisor: Said grievance to set forth the event giving rise to grievance, the contract provision(s) involved, and the name of the involved officer. The immediate supervisor shall answer the grievance in five (5) working days after hearing of the grievance and shall, if requested by the Chapter or the officer, meet to discuss the grievance prior to answering it.

STEP TWO: Appeal to Deputy Chief of Support Services. If the grievance is not settled in Step One, or, if a reply is not given within the time provided therefore and the officer decides to appeal, the officer shall, within five (5) working days from receipt of the Step One reply, appeal in writing, to the Deputy Chief of Support Services. The officer, the Chapter representative and the Deputy Chief of Support Services, will discuss the grievance at a mutually agreeable time. If no Agreement is reached in such discussion, the Deputy Chief of Support Services will give his reply, in writing, within five (5) working days of the conclusion of the discussion.

STEP THREE: Appeal to Chief of Police. If the grievance is not settled in Step Two and the officer decides to appeal further, said officer shall, within five (5) working days after receipt of the response of the Deputy Chief of Support Services (in Step Two), or, after the expiration of time therefore, file a written appeal to the Chief of Police. In response to such notice, the Chief of Police shall meet with the officer and the Chapter representative. Such meeting shall be held at a mutually agreeable time for the purposes of hearing the officer's appeal. If no settlement is reached at this meeting, the Chief of Police, or his/her designee shall give his/her reply in writing within five (5) working days of the meeting.
**STEP FOUR: Binding Arbitration.** If the grievance is not settled in accordance with the foregoing procedure, the Chapter may refer the grievance to Binding Arbitration by giving written notice to the Chief of Police, within twenty-one (21) working days after receipt of the Chief’s reply (in Step Three). In the event the parties are unable to agree upon an arbitrator, they shall jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators. Upon receipt of the panel, the parties shall strike names alternately until only one name remains. The person whose name remains shall become the arbitrator, provided, that either party, before striking any names, shall have the right to reject one panel of arbitrators. The arbitrator shall be notified of his selection by a joint letter from the Village and the Chapter. In addition to providing notice of his appointment, such letter shall request that he set a time and a place for the hearing, subject to the availability of the Village and Chapter representative. The arbitrator shall not (in his decision or award), amend, modify, nullify, ignore, add to, or subtract from any provision of this Agreement. He shall consider and decide only the specific issue submitted to him. His binding recommendation shall be binding and shall be based solely upon and interpretation of the meaning, or application, of the terms of this Agreement. In the event that the arbitrator finds that alleged grievance does not involve an interpretation or application of this Agreement, he shall remand the matter to the parties without comment. The decision of the arbitrator shall be final and binding on the parties. The costs of the arbitration, including the fee and expenses of the arbitrator shall be divided equally between the Village and the Chapter.

**Section 6.3. Time Limits**
No grievance shall be entertained or processed unless it is filed within the time limits set forth in Section 6.2. If a grievance is not appealed within the time limits governing appeal it shall be deemed settled on the basis of the last reply of the Village, unless the Parties have mutually agreed in writing to extend a relevant time limit. If the Village fails to provide a reply within the time limits so provided, the Chapter may immediately appeal to the next Step.

**Section 6.4. Investigation and Discussion**
All grievance discussions and investigations shall take place in a manner which does not interfere with the orderly operation of the Village's Department of Police or other Village operations.

**Section 6.5. Suspension or Termination**
It is understood that matters involving suspension or termination are subject to the jurisdiction of the Chief of Police and the Lake in the Hills Police Commission and are not subject to this grievance procedure.
ARTICLE VII
HOURS OF WORK: OVERTIME

Section 7.1. No Guarantee
Nothing in this Agreement shall be construed as a guarantee of a maximum or minimum daily or weekly work schedule.

Section 7.2. Hours of Work
The Parties agree that hours of work shall comply, in all respects where possible, with the Fair Labor Standards Act (hereinafter referred to as the "Act") as said Act presently applies to the Village of Lake in the Hills and the Village's past practices governing hourly officers. The average total number of regular hours in a 14-day pay period will be 80 hours. The normal workday may be based on an 8.5 or 12-hour work schedule.

For the duration of the 2018 – 2021 Agreement only, patrol services officers who are not on special assignment shall be regularly assigned to a 12-hour shift schedule, and detectives and patrol officers on special assignment shall be assigned to an 8.5 hour shift schedule. Nothing in providing these shifts schedules as stated in the above sentence shall be considered a past practice or shall otherwise abrogate what is the management right for the Chief of Police to set the hours of work.

12-Hour Shift Schedule: Patrol Services
1. Officers assigned to a 12-hour shift will work a shift of hours recommended by staff assigned to the patrol division, subject to approval by the Chief of Police. The Chief of Police will maintain management rights to set the hours of work.
   a. 12 hours will be paid with three 15 minute breaks and one paid 30 minute lunch.
   b. The four hours which would normally exceed 80 hours in the two week pay period due to working the 12-Hour Shift will be schedule adjusted, where possible, or if not possible then the officer would be paid out the time over 80 hours as overtime.
   c. Should an officer’s meal be interrupted based on an emergency or other official work assignment, that officer shall be entitled to repeat his/her break if possible. No overtime will be paid for missed lunch breaks that could not be rescheduled during the shift.
2. Rotation would generally alternate for officers on a two week cycle as follows:
   a. One week would have the officer working the 12-hour shift beginning on Monday, Tuesday, Friday, Saturday, and Sunday, with no work on Wednesday or Thursday.
   b. The other week would have the officer working the 12-hour shift beginning on Wednesday and Thursday, with no work on Monday, Tuesday, Friday, Saturday, or Sunday.
   c. Officer callbacks will be regularly limited to no more than one call back shift during any otherwise regularly scheduled block of days off. For example, if an officer is scheduled to work Friday-Sunday and is called back the Monday, that officer cannot regularly be called back that Tuesday as well.
d. Officers assigned to the effected shift on their days off (opposite team) will be called in seniority order from most to least to accept the call back shift. If no officer on the opposite team should accept, the secondary team on their days off will be called in seniority order from most to least to accept the call back shift. If no sergeant should accept the callback, the officer with the least amount of seniority from the effected off shift (opposite team) will be forced to work. Callbacks on a Saturday will occur based on seniority through the whole department. Officers on their days off will be called in seniority order from most to least to accept the callback shift regardless of assigned team. If no officer should accept the call back, sergeants on their days off will be called in seniority order from most to least to accept the callback shift. If no sergeant should accept the callback, the officer with the least amount of seniority within the department will be forced to work. Nothing in this paragraph changes the limitation on callback shifts otherwise contained in this document. Nonetheless, situations may arise where an officer may be called back if there are not enough available officers to cover minimum staffing requirements.

3. Vacation Scheduling: In addition to the provisions of Article IX, Vacations, and other applicable policy, vacations will be selected, during the annual scheduling process, in 7 day blocks. For example, an officer who would be regularly scheduled off Wednesday and Thursday, due to the rotation, could take Monday, Tuesday, Friday, Saturday, and Sunday off (60 total vacation hours), or if the regular schedule would only have the officer working Wednesday and Thursday, the officer could take the Wednesday and Thursday off (24 total hours). An officer need not schedule all working days off in the week, and an officer may begin the 7 day block on any day in a week. Regardless of when vacation days are taken, each day taken off will be counted as 12 vacation hours.

Holiday Benefit Time: Will be paid as it is now at 8.0 hours or 4.0 hours as outlined in Section 10.1. Officer’s working on an enumerated holiday will be compensated as outlined in Section 10.2.

8.5-Hour Shift Schedule: Officers not assigned to the 12-hour work schedule will be assigned an 8.5-hour work schedule as follows;

a. The shift will consist of 8.5 hours with two paid 15 minutes breaks and one unpaid 30 minute lunch.

b. Officers assigned to the 8.5 hour shift schedule will work shift hours recommended by staff assigned to the position and approved by the Chief of Police. The Chief of Police will maintain management rights to set the hours of work.

c. Should an officer’s meal be interrupted based on an emergency or other official work assignment, that officer shall be entitled to repeat his/her break. No assignments of a non-emergency nature shall be made for an officer who is on their assigned lunch break.

13
d. If an officer misses a lunch break that cannot be rescheduled during the shift the officer is entitled to overtime for all hours worked over eighty (80) in the fourteen (14) day pay period.

Additional Provisions of All Schedules:

1. Training: Training will be consolidated in some cases. For example, firearms may consist of both rifle and handgun training combined. Where possible, training will be done on shift. Some training will be scheduled on certain days off per team, but will be done so only as reasonably necessary.

2. Special Events: Nothing in the schedule changes impairs or limits management designating certain dates to be blacked out to ensure staffing levels are adequate for special events, such as festivals. Officers will be given an opportunity to volunteer, but if volunteers are not sufficient, then officers may be assigned to work. If staffing levels are met, the blackout may be lifted at management’s discretion.

An officer that is contacted via telephone or text message by a supervisor regarding work-related matters while off-duty shall be compensated. That officer shall receive 0.25 hours of compensatory time for being contacted unless communications last longer than 0.25 hours, that officer shall receive compensatory time equal to that time. This will not apply to calls made by a supervisor to advise an officer about an IMMEDIATE schedule change or to request the officer to come into work for an assignment outside of the officer’s work schedule.

Section 7.3. Overtime Pay

Time worked by any officer in excess of the hours worked above the normal hours assigned using the current schedule rotation during the fourteen (14) day pay period, shall be paid for at time and one-half the officer's regular straight time hourly rate. Overtime worked shall be calculated in fifteen (15) minute blocks, with seven (7) minutes being rounded down and eight (8) minutes being rounded up. The Village will pay overtime in a bi-weekly period to coincide with the employee’s paycheck. During the specific 14 day pay period, the Village can make adjustments to the schedules of employees, in compliance with the Fair Labor Standards Act, to diminish the economic impact of overtime on the Village.

For purposes of overtime calculation, time worked shall mean and include all hours actually worked, including but not limited to; vacation time, sick leave, compensatory time off, holiday time and any other authorized paid time off.

Section 7.4. Overtime Assignments

Nothing in this section shall limit the ability of the Chief of Police to move available officer staffing between shifts to meet minimum shift staffing requirements.

The Chief of Police or his designee shall have the right to require overtime work and officers may not refuse overtime assignments. Whenever practicable, overtime assignments will be scheduled on a voluntary basis, except for emergency situations or except where qualified volunteers are not readily available. It is the objective of the Village to keep mandatory overtime scheduling at a
minimum consistent with the need of the Village to provide proper police protection. Overtime assignments shall fall under the following categories and will be assigned as described below:

1. **Next Shift Vacancy** –
   a. Officers assigned to work 12 hours shifts will fill next shift vacancies for 12 hour shifts per Section 7.2 (12-Hour Shift Schedule, subparts 2(c)-(e)) and not as outlined in 7.4(1)(b).
   b. The hiring back of police officers for the next shift vacancy (such as sick time coverage) shall be determined by seniority of the officers who are working at the time the need arises. The assignment will be split between the officers before and after the shift experiencing the shortage. For example, if an officer calls in sick on the afternoon shift requiring a manpower shortage, than that shift shall be split and an officer from the day shift shall be required to hold over and a midnight shift officer shall be required to come in early. Overtime will be offered to the officer with the highest seniority to the lowest from each respective shift that is called upon to fill the shortage. If no officer accepts the overtime, then it shall be offered to a Sergeant. If no Sergeant accepts the overtime, then the least senior officer that is working the immediately preceding or immediately following shift will be required to work the overtime.
   c. If a supervisor is unable to make contact with an officer by their home telephone number the supervisor will immediately move on to the next officer to arrange shift coverage.

2. **Advance Shift Overtime** - For vacancies known in advance (more than 24 hours prior to the vacancy), the overtime will be granted to the most senior officer signing up for the overtime, provided that no officer will be allowed to work two full shifts back-to-back, and otherwise as provided herein.
   a. Officers assigned to work 12 hours shifts will fill advance shift vacancies for 12 hour shifts per Section 7.2 (12-Hour Shift Schedule, subparts 2(c)-(e)) and not as outlined in 7.4(2)(b).
   b. If a full shift is required, the overtime will be posted in two portions - the first half of the shift and the second half. An officer who is not working that day may sign up for both halves. An officer who is working that day may sign up for one half. An officer able to sign up for the entire shift will have priority over officers working half shifts. If no officer accepts the overtime, then it shall be offered to a Sergeant. If no Sergeant accepts the overtime, then the least senior officer that is working the immediately preceding or immediately following shift will be required to work the overtime.
   c. If a supervisor is unable to make contact with an officer by their home telephone number the supervisor will immediately move on to the next officer to arrange shift coverage.

**Overtime for Festivals and Special Events** - Overtime needed for special events such as festivals or other Village-organized events, overtime will be posted for sign-up. Overtime sign-ups will be done on a seniority basis, highest to lowest. Officers shall only sign up for one overtime slot at a time. Once all officers had a chance to signup, than officers may sign up for multiple overtime slots. If no officer accepts the overtime, then it shall be offered to a Sergeant.
If no Sergeant accepts the overtime, then the least senior officer will be required to work the overtime. This does not apply to slots designated for a supervisor to act in a supervisory capacity. Overtime for special events/details that are paid by private companies/organizations, shall be paid at the outside hire back rate, which is set by the Village.

**Exceptions** - In cases of emergencies or critical incidents requiring immediate additional staffing, the Chief of Police or his designee may order Officers in as needed/determined by the situation. Scheduling errors made by management will be paid as overtime.

The Department has the sole discretion to schedule overtime to any Department employee for overtime associated with the Illinois Department of Transportation’s Sustained Traffic Enforcement Program. The Department retains the right to manage overtime on any other similar program or grant where performance is a requirement to obtain or maintain grant funding.

**Section 7.5. Compensatory Time**

The employee shall receive one and one-half (1 1/2) hours of compensatory time for every one (1) hour of overtime worked by said employee when said employee elects to receive compensatory time.

Employees may accumulate up to eighty (80) hours of compensatory time in any one year. Employees may carry over up to eighty (80) of compensatory time from year to year.

Upon separation from the Department, an Officer shall be paid all accumulated compensatory time at his then current rate of pay.

Compensatory time off may, upon approval of the Chief of Police or his designee, be taken at straight time amounts. The requesting officer may make his/her request for use of compensatory time at the start of each shift of the date requested. The request for compensatory time shall not be unreasonably denied.

**Section 7.6. Court Time**
Any officer covered by this Agreement required to attend court shall receive a minimum of two-and-a-half (2 1/2) hours compensation at that officer's applicable straight or overtime rate of pay, depending upon the circumstances, provided that the officer's court appearance did not begin while on his/her normal tour of duty. In cases where an officer is required to attend court, and it extends beyond his/her normal tour of duty, said officer shall receive the applicable straight or overtime rate of pay, for the actual time spent at court in excess of the normal work day. The employer agrees to supply a department vehicle for officer use in traveling to and from each court appearance, or if one is not available, the appropriate mileage reimbursement will be made. Unless the officer is assigned to the midnight shift. Midnight shift officers will be eligible for court standby pay on regular scheduled shifts on-duty or off-duty, if not notified 24 hours in advance that their presence is not necessary. For example, if the officer is sent a notice that they are needed for a summary suspension hearing at 1:30pm, but are told to call at 12:00pm on the date of the court appearance and are told at that time they are not needed for court, that officer shall receive two (2) hours of compensatory time. If the officer does need to appear in court, the officer shall receive court time pay as outlined in section 7.6.

Section 7.8. Departmental Meetings
Any officer covered by this Agreement who is required to attend departmental meetings shall receive a minimum of two (2) hours compensation at his applicable straight or overtime rate of pay, depending upon the circumstances, provided that the departmental meeting did not begin while on his normal tour of duty.

Section 7.9. Call-back
Any officer covered by this Agreement who is called back to work an assignment, which does not continuously follow the officer's regular scheduled shift shall be compensated for all hours so worked, with a minimum compensation of two (2) hours. The affected officer shall be paid at his regular or overtime hourly rate of pay, whichever is applicable. A "call back" shall be defined as any assignment by which an officer is directed to return to work and physically reports to a location determined by the Chief of Police or his designee.

Section 12.5. Sick Leave Carryover and Sell-back
A maximum of forty (40) hours will be paid back at the end of the calendar year. The pay shall be at that officer's straight time hourly rate of pay at the time of reimbursement. ARTICLE XIII
LEAVES OF ABSENCE

Section 13.1. Maternity Leave: In General
Maternity absence is not a separate type of leave. The parties agree that all policies and procedures generally applied to disability leave shall also apply to absence for maternity reasons. The term "pregnancy," as used in this Agreement refers to a condition which eventually requires the officer to be absent from the job because of incapacitation. For leave purposes, a period of absence covering pregnancy and confinement is to be treated like any other condition, which incapacitates the officer from the performance of duty. As a means of accommodating this temporary incapacitation, appropriate leave shall be made available to the affected employee.

Section 13.2. Maternity Leave Benefits
Maternity absences may be a combination of sick leave, and annual leave, in the following particulars:

a. Sick leave to the extent available, may be used to cover the time required for physical examinations and periods of disability; and,

b. Annual leave or LWOP may be used to cover absence necessitated for reasons such as (i) the need for a period of adjustment following birth and recuperation; or, (ii) the need to make arrangements for the care of the child or children. Such leave will be granted only if requested by the officer and approved by the Chief of Police.

Section 13.3. Maternity Leave Procedures
An officer shall inform the Chief of Police as soon as possible of the officer’s intention to request maternity leave. The request shall provide the reasons, indicate the type of leave desired, set forth approximate dates, and express an opinion as to the anticipated duration so as to allow the Chief of Police adequate time to prepare for any staffing adjustments, which may be necessary. The length of absence from duty is a matter requiring joint involvement from the officer, her physician and the Chief of Police. In the event that the officer requests light duty or temporary reassignment, the provisions of Section 15.9 of this Agreement shall apply. All such requests, shall be accompanied by appropriate medical recommendations.

Section 13.4. Absence for Paternity Reasons
A male officer may request only annual leave or LWOP for the purposes of assisting or caring for his minor child, children or spouse, while she is incapacitated for maternity reasons. Each leave request shall be considered on its own merit and shall be approved provided such approval is consistent with other situations where leave is requested due to incapacitation of said officer’s spouse.

Section 13.5. Civil Duty
Officers covered by this Agreement shall receive full pay for any time lost while serving on jury duty or as a witness. The Village shall comply with all applicable state law with respect to the scheduling of officers required to serve civil duty. Any fees, including but not limited to jury
duty fees or subpoena fees, received from the court or any other party by an employee, exclusive of travel allowance, shall be endorsed over to the Village in order for the employee to receive full pay for any time served.

Section 13.6. Education
Officers covered by this Agreement may be granted special leave at full pay in order to permit the officer to take courses of study which will better enable the officer to perform his or her duties.

Section 13.7. Military Leave
Officers covered by this Agreement may be granted up to two weeks of military leave, without pay, in any fiscal year for reserve or special training encampments. This leave shall not be charged against vacation or sick days.

Any officer inducted into the United States armed forces may be considered as being on leave without pay during the duration of his/her service. For a period of 90 days following the officer's honorable discharge, that officer may request full reinstatement without loss of seniority, provided the officer still meets the requirements of his/her former position.

Section 13.8. Leave Without Pay
Employees may submit a written request to the Chief of Police for an unpaid leave of absence. Such leave shall be without loss of prior earned seniority and may be for the following reasons:

1. Personal or immediate family member (as defined in Section 12.1) illness; or
2. Completing education.

The Chief of Police may grant a leave of absence for up to 60 days. The Chief of Police will present requests along with a recommendation to the Village Board for consideration of an unpaid leave of absence for 61 days or more up to one year. Covered employees must use any accrued or remaining sick time (if applicable), personal time, floating holidays, compensatory time, and vacation time before the unpaid leave period begins. Such leave may be without loss of prior earned seniority. However, the employee's seniority and other benefits will not accrue during the period of unpaid leave except for group health coverage through COBRA. Further, employees considering a leave of absence must be aware that the Village will not guarantee to hold their job open for them during the period of the leave. There is no assurance of reinstatement to employment in any capacity at the conclusion of the leave. If there is an open position for which the employee is qualified at the conclusion of his or her leave, the employee, along with all other qualified candidates, may be considered for the position.

Section 13.9. Bereavement Leave
An employee covered by this Agreement shall be entitled to up to three (3) paid days bereavement leave upon the death of an immediate family member as defined by the Personnel Rules and Regulations of the Village.
ARTICLE XIV

Each bargaining unit member who is at the maximum pay for the position and has remained at maximum pay for the prior year shall receive a longevity bonus of $1500 on the pay cycle following the employee's anniversary and each year thereafter. Longevity bonus payments shall not count towards base pay for overtime or pension benefits.

Section 14.2. Dual Career Ladder Program
Nothing in this Agreement shall prevent the Chief of Police from implementing a Dual Career Ladder program, which may contain provisions for annual bonuses to officers successfully participating in said program.

Section 14.3. Officer in Charge Compensation
Patrol Officers assigned as Officers in Charge shall receive, in addition to their regular compensation, one (1) hour of compensatory time for each full shift worked as Officer in Charge. Covered employees shall not be considered an Officer in Charge for purposes of this section where a member of the supervisory staff remains on-duty and available via radio or telephone, even when said sergeant may be outside the Village limits. An Officer in Charge who is scheduled to work a shift other than their normal shift shall be paid two (2) hours of compensatory time.

Section 14.4. Step Placement for New Employees
The Village at its sole discretion may determine the pay rate for newly hired employees, based on previous law enforcement experience. If in the exercise of that discretion, the Village determines that a newly hired employee shall be compensated at a rate higher than the beginning rate, it may do so.
ARTICLE XV
LIGHT DUTY

Section 15.1. Work Schedule for Light Duty
At the Chief’s discretion and given the availability of work to satisfy light duty assignments, any officer who is injured and unable to perform the required duties of his or her position, but can perform work of a less strenuous nature, shall be assigned to work light duty, provided that he has obtained (and presented to the Chief of Police) a letter of approval from his physician. Each request for light duty will be evaluated on a case-by-case basis. Light duties shall consist of those tasks assigned by the Chief of Police. Any officer shall be eligible for light duty for a period of not to exceed one (1) year. At the conclusion of one year, the officer must elect either disability or medical pension. Light duty shall terminate upon the individual officer's qualifying for full-time duties or electing to receive either a medical pension or disability. There shall be no pyramiding of benefits involving light duty assignments, worker's compensation or other disability. All employees within the police department, including command staff, will be included in a random draw. Up to, but no more than twelve (12), employees will be drug tested (from the random draw) within the Village of Lake in the Hills’ Fiscal Year. The employee(s) for the random drug testing will be chosen by the medical facility. The facility will contact the Chief of Police and/or the Division Chief who in return will contact each individual, while the employee is on duty, whose name is drawn to advise them of the test. Employees will submit to the test immediately upon notice from their supervisor. Employees will be allowed to take the test in civilian clothing. If an employee chooses to wear civilian clothes during the testing, he/she must have the change of clothes available at the Department. Employees will not be allowed to delay the process to
obtain clothing or to change anywhere other than the Police Department.

Before a drug test is administered, employees will be asked to sign a consent form authorizing the test and permitting release of the result to those municipal officials with a need to know. Employees may choose to provide such a list after being notified of a confirmed positive result.

The consent form shall also set forth the following information:

- The consequence of a confirmed positive test result.

A similar amount of the sample shall be set aside and preserved for later testing if requested by the employee or the Chief of Police. All samples shall be preserved in accordance with Section 40.99 of Subpart F-Drug Testing Laboratories of Part 40-Procedures for Transportation Workplace Drug and Alcohol Testing Program effective August 1, 2001, which provides for the extension of preservation of the split samples.

The methods employed in the collection of samples for testing shall be reasonable and provide for security of the sample and its protection from adulteration. Reasonable attention shall be given to an employee’s need for privacy during the collection of urine samples, to ensure that the testing is done in an appropriate setting and to ensure that the integrity of the test sample is not compromised. The Chapter will be provided with an annual list of police department employees tested in the random drug tests (e.g., 5-1-02: Non-Patrol Officer, 6-1-02: Patrol Officer).

With two (2) working days after the test is administered, the employee may request a meeting with the Chief of Police, with or without Union representation. At any such meeting, the employee may raise issues relating to the testing. The employee shall also have a one-time only option at this meeting to admit to a problem and to seek assistance through the Village’s
Employee Assistance Program (EAP) outlined below.

The first positive test will result in disciplinary action as the Chief of Police deems appropriate (except for termination) provided the officer has initiated a meeting with the Chief of Police within two (2) working days after the test has been administered. The first positive test will also result in a mandatory assignment to the Village EAP, with follow-up testing as outlined in Section 5(B) below.

Any second positive test may result in the Chief of Police seeking the employee’s termination.

Nothing in this Section shall be construed to waive any covered employee’s (excluding probationary employees) right to be heard on matters of discipline before the Village of Lake in the Hills Board of Police Commissioners. Future task force members shall be informed of this policy prior to assignment and acceptance to the task force (NCTF task force members as of the date this contract ratification shall be excluded).

5. REHABILITATION

First positive test requires mandatory participation in and successful completion in the Village Employee Assistance Program (EAP) or other program approved by the employee’s current health provider. During the participation of the EAP treatment, the employee will be placed on FMLA leave and will be required to utilize his/her benefits hours in the following order:

a. Sick Time, Vacation Time, Comp Time and then Personal Days. Once the employee has exhausted all his/her benefit hours, he/she will then go on unpaid leave until cleared from the program.

b. Once approved to return to work by the case manager at the EAP or other program, the employee may be tested up to twelve (12) times during the twenty-four (24) months following the officer’s return to work.

c. Employees will be responsible for the entire cost of the treatment program and follow up random drug testing costs not covered by their insurance.

d. Refusal to participate in the EAP or other approved program may result in disciplinary action up to termination.

6. VOLUNTARY REQUESTS FOR ASSISTANCE

The Chief of Police shall take no adverse employment action against an employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug abuse or
dependency problem prior to any type of testing. The Chief of Police may require the employee to be evaluated by a substance abuse professional to determine fitness to return to duty or assignment. For the purposes of this Section, “voluntary treatment, counseling or other support” means help sought by an employee prior to an observation by a member of the Police Department of facts giving rise to a reasonable suspicion, prior to any misconduct on or off duty which causes him to come to the attention of a law enforcement agency or an internal inquiry by the Department, or the employee seeking a one time only option to admit such a problem following testing. The Village may make available through an Employee Assistance Program a means by which an employee may obtain referrals and treatment. Voluntary requests for assistance will be handled in a confidential manner. Any employee who voluntarily seeks assistance with problems related to prescribed drugs or alcohol shall not be subject to any disciplinary action by reason of such request for assistance as long as the request for assistance was made prior to any notification of a random drug test, or reasonable suspicion process.

7. CONFIDENTIALITY

All test results are held in confidence in accordance with privacy laws. They will be stored in the Village of Lake in the Hills' Human Resources Coordinator’s files, separate from regular personnel files.

8. UPDATES

This policy will be updated as necessary upon agreement in writing from both the Chapter and the Village.

9. POLICY VIOLATIONS

Violations of this policy may subject covered employees to disciplinary action up to and including termination as provided above.

Nothing in this policy can be construed to limit the authority of the Chief of Police or his designee to require a non-random drug test for cause.

2. Whether timely ingestion (i.e., if medication must be taken once a day, taking it after the tour of duty) would mitigate the effects of the drug and allow the employee to remain at full duty.

B. Employees shall notify the Chief of Police via email as soon as practicable after being prescribed a controlled substance, but prior to the start of the employee’s next duty assignment, only if they have been prescribed a controlled substance that will have negative side effects that cannot be mitigated as outlined above. (a) "Officer" means any peace officer, as defined by Section 2-13 of the Criminal Code of 1961, as now or hereafter amended, who is employed by any unit of local government or a State college or university, including supervisory and command personnel, and any pay-grade investigator for the Secretary of State as defined in Section 14-110 of the Illinois Pension Code, not including Secretary of State sergeants, lieutenants, commanders or investigator trainees. The term does not include crossing guards, parking enforcement personnel, traffic wardens or employees of any State's Attorney's office.

(b) "Informal inquiry" means a meeting by supervisory or command personnel with an officer upon whom an allegation of misconduct has come to the attention of such supervisory or command personnel, the purpose of which meeting is to mediate a citizen complaint or discuss the facts to determine whether a formal investigation should be commenced.

(c) "Formal investigation" means the process of investigation ordered by a commanding officer during which the questioning of an officer is intended to gather evidence of misconduct which may be the basis for filing charges seeking his or her removal, discharge or suspension in excess of 3 days.

(e) "Administrative proceeding" means any non-judicial hearing which is authorized to recommend, approve or order the suspension, removal, or discharge of an officer.
Sec. 3. Whenever an officer is subjected to an interrogation within the meaning of this Act, the interrogation shall be conducted pursuant to Sections 3.1 through 3.11 of this Act.

Sec. 3.1. The interrogation shall take place at the facility to which the investigating officer is assigned, or at the precinct or police facility which has jurisdiction over the place where the incident under investigation allegedly occurred, as designated by the investigating officer.

Sec. 3.2. No officer shall be subjected to interrogation without first being informed in writing of the nature of the investigation. If an administrative proceeding is instituted, the officer shall be informed beforehand of the names of all complainants. The information shall be sufficient as to reasonably apprise the officer of the nature of the investigation.

Sec. 3.3. All interrogations shall be conducted at a reasonable time of day. Whenever the nature of the alleged incident and operational requirements permit, interrogations shall be conducted during the time when the officer is on duty.

Sec. 3.4. The officer under investigation shall be informed of the name, rank and unit or command of the officer in charge of the investigation, the interrogators, and all persons present during any interrogation except at a public administrative proceeding.

Sec. 3.5. Interrogation sessions shall be of reasonable duration and shall permit the officer interrogated reasonable periods for rest and personal necessities.

(b) Anyone filing a complaint against a sworn peace officer must have the complaint supported by a sworn affidavit.

Sec. 3.9. The officer under investigation shall have the right to be represented by counsel of his or her choosing and may request counsel at any time before or during interrogation. When such request for counsel is made, no interrogation shall proceed until reasonable time and opportunity are provided the officer to obtain counsel.
If a collective bargaining agreement requires the presence of a representative of the collective bargaining unit during investigations, such representative shall be present during the interrogation, unless this requirement is waived by the officer being interrogated.

Sec. 3.10. Admissions or confessions obtained during the course of any interrogation not conducted in accordance with this Act may not be utilized in any subsequent disciplinary proceeding against the officer.

Sec. 3.11. In the course of any interrogation no officer shall be required to submit to a polygraph test, or any other test questioning by means of any chemical substance, except with the officer’s express written consent. Refusal to submit to such tests shall not result in any disciplinary action nor shall such refusal be made part of his or her record.
