Our Philosophy

The mission of the Crime Prevention and Community Relations Division is to provide services and programs to educate and communicate with our residents. We also strive to provide a relationship with the community that will foster awareness and support an overall improved style of life for the residents of the Village of Lake in the Hills. To this end, the Lake in the Hills Police Department will continue to offer and enhance our existing services and programs as well as to look to the future of our community and create new services and programs.
Ridin’ Right with LITH PD

The Lake in the Hills Police Department’s Tactical Bike Unit invites children and adults of all ages to the Ridin’ Right bicycle safety event. This is a fun, hands-on educational event for the community to come together to learn about bicycle safety, equipment, and rules of the road. Members of the Tactical Bike Unit will work with riders on their skill set and bicycle knowledge. Cone courses will be provided for maneuverability work, just like police officers train on. Bring your bike and helmet and grab a free sandwich on us (while supplies last). Bicycle registration and child ID services will be available on-site. All of the activities and services are free of charge. Pre-registration is not required.

Date: 6/6/20
Time: 11:00am-1:00pm
Location: Village Hall Parking Lot
600 Harvest Gate

Child Identification Cards

Child Identification Cards are a service offered by the Lake in the Hills Police Department which provides a photo identification card for children.

Parents or guardians can carry the child identification card in their purse or wallet, keep it in a safe place, or secure it onto the bottom of the child’s car seat. The child identification card includes a photo of the child, personal information and emergency contact/medical information.

Child Identification Cards are available by appointment only to Lake in the Hills residents and are free of charge. To make an appointment please call 847-658-5676 or email communityrelations@lith.org.

Car Seat Inspections

Car Seat inspections are available by appointment only to Lake in the Hills residents. For questions or to make an appointment please call 847-658-5676 or email communityrelations@lith.org. Please bring the vehicle manual and car seat manual with you to the appointment.

Certified car seat technicians are here to help you inspect your car seat and to ensure it is properly installed. They can also assist you in learning more about your vehicle and your child car seat. After an inspection of the child car seat, the technician will educate the parent or caregiver in safe installation procedures of the seat through hands on practice. This is to ensure correct installation by the parent or caregiver for future safety of the child.
Neighborhood Watch

Neighborhood Watch is a national program which encourages residents to establish a group “watch” in their neighborhood to have heightened awareness for crime detection and deterrence.

To join or start a Neighborhood Watch in your area, call the Crime Prevention/Community Relations Division at 847-658-5676, or email communityrelations@lith.org.

Speed Trailer

The speed trailer is used to educate drivers of their speed. It is placed in various locations throughout the village where speeding problems and complaints have been received. The speed trailer is equipped with a radar gun and a computer that records vehicle speed and the number of vehicles and time of day. It also allows us to conduct traffic studies to determine if any changes are needed on a street and to schedule various types of traffic enforcement in the area.

For further information please call 847-658-5676 and report concerns to the Traffic Unit Sergeant.
You can also report local traffic issues online at: www.lith.org/police/page/anonymous-crime-tipping

Law Enforcement Explorers

The Explorer Program, chartered by the department through the Boy Scouts of America (BSA), is open to young men and women ages 14 until age 21 is reached. The purpose of this program is to expose its members to the law enforcement profession. It does this by instruction, but also with hands-on experience in areas such as leadership, patrol ride alongs, traffic control, crowd control, and security. Members can also attend an annual training conference and competition. Members wear a police-style uniform bearing the department’s patch and an explorer post patch.

The program runs year round meeting the first three Thursdays of the month in the evenings.

Location: Irv Floress Safety Education Center
1109 Crystal Lake Rd.

Dates: 1st three Thursdays of the month
Time: 6:00-9:00pm

Applicants must be over the age of 21, a resident of the village, and must complete a two-hour mandatory training at the police department covering traffic law and the operation of speed detection devices.

Applicants won’t have direct contact with traffic violators but will be required to document the date and time along with the violation that was observed. Such violations in the past have included the following: speeding, disobeying a stop sign, and stop arm violations.

For further information, contact the police department at 847-658-5676.

The Bark Park features: shade, a large running area for your dog(s), on-site parking, running water and solar lighting for added visibility and security. Open from sunrise to dusk daily, the Bark Park provides year-round opportunities for dogs and their owners to socialize as well as exercise, both important to a dog’s health and temperament. A dog park promotes responsible pet ownership as well as allows dogs to legally run off-leash.

The park is divided into three separate areas. One area is exclusively for “Dog Adjustment” and initiating new dogs to the park. The other two sections allow the Parks Division to rest one area while the other area is being used, so we never have to shut down the park for maintenance and repairs.

**The Scoop on Poop**

ALWAYS carry equipment sufficient to clean up your dog’s waste. Dog waste is not only offensive, it can spread disease and parasites to other dogs and humans. Do not allow your dog to defecate on any public property unless you immediately remove and properly dispose of the waste.

**Dog Conflicts**

Due to the concentration of dogs, dog conflicts may occur. It is the responsibility of the owners/handlers to maintain control of their dog(s). To prevent injuries, supervise your dog(s) at all times. Dog owners are responsible for their own dog(s) and any injuries they may cause. If your dog inflicts an injury, immediately leash your dog, provide your name and phone number to those involved and leave the dog park. To register a complaint about aggressive dog behavior, call 847-960-7400. Complaints about aggressive behavior will be reviewed on a case-by-case basis and may result in revocation of dog park membership with no refund.
