Each class will have a short circle time, music, story, craft and snack.

4 - 5 Year Olds Pre-K

We offer a theme/literacy based curriculum, geared toward preparing your child for kindergarten and beyond. We include alphabetic/phonetic recognition, as well as beginning sight word recognition. We incorporate math & science using skills such as counting, patterning, graphing and basic addition and subtraction. Our students continue to build fine motor skills through our theme based projects.

Pre-K Spanish Enrichment curriculum follows our traditional Pre-K curriculum. In this class students will learn basic Spanish words while incorporating conversational Spanish. We continue to build on the knowledge our 3-4 year old Spanish Enrichment students have learned.

Children enrolled in the Pre-K Spanish Enrichment do not need previous Spanish knowledge.
